U.S. Patent and Trademark Office PTOL-37 (Rev. 1-04) Application/Control Number: 10/685,828

Art Unit: 2827

Response to Amendment

Page 2

1. This office action is in response to amendment file on 2/7/05.

- Claims 1-52 are pending in the application.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance: Claims 1-52 are allowable over the prior art of record because none of the prior art whether taken singularly or in combination, especially when these limitations are considered within the specific combination claimed, to teach: a data reading device comprising: a magnetic medium, among others as claimed in independent claims 1, comprising at least one domain having domain walls, wherein data stored in the domain is selectively read by disposing the magnetic tunneling junction in proximity to a fringing magnetic field from one of the domain walls, and by using the using the fringing magnetic field to detect a magnetic moment of the domain. Method of making/reading of the reading device comprising step of using the fringing magnetic field to detect a magnetic moment of the domain, and among other steps as claimed in independent claims 21, 41.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 2827

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David Lam whose telephone number is 571-272-1782. The examiner can normally be reached on 6:00 – 4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Hoai Ho can be reached on 571-272-1777. The fax phone numbers for the organization where this application or proceeding is assigned is (703) 872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
